Characterization in brief: Marketing and technique-focused English magazine for the international brewing and beverage industry.

The appealing magazine addresses specific industry issues that are of interest far beyond b2b. With the renowned trade publication BRAUINDUSTRIE and GETRÄNKEINDUSTRIE in the background, the publishing house W. Sachon can rely on a solid basis of top information. Well-known authors of the branch cover current topics of technique and technology, packaging, logistics, marketing and management. Information is completed by on-site research by the editorial team, especially on international trade fairs and events.

The magazine is available as a print edition as well as a digital edition.

"Freshly bottled" is the newsletter for the international brewing and beverage industry! On top of keeping you up to date with what's happening in the industry, each issue of "Freshly bottled" will deliver an entertaining video, as well as some short and sharp industry information in our "Number of the month!" section.

www.freshlybottled.com is a news portal compiling all the important news from the international brewing and beverage industry in one place.
