

We seek you!

SALES MANAGER BEER (M/F/X)

Southern Germany, Austria and international markets

- You are trained in brewing technology, preferably with a master brewer's degree from Doemens, Weihenstephan, VLB-Berlin or a similar institute?
- You have international practical experience in filtration and stabilization technology?
- You enjoy supporting our customers with technological challenges?
- You are interested in application technology and sales activities with international customers?

Then you are the perfect fit for us!

We are an innovative, medium-sized, and family-owned company operating internationally, based in the Rhine-Main area. As a supplier to the food industry, we are the market leader in developing and distributing biotechnological and process-enhancing solutions.

WE OFFER:

- Varied tasks in an international team
- Permanent employment
- Corporate retirement plan
- 30 days of vacation
- Flexible and family-friendly working hours

Interested? Then send us your application, including your earliest possible start date and salary expectations to:
